

Cosmoblack

Cosmoblack is a self-healing high-gloss black paint protection film that uses Polyoptico™ coating technology and black inorganic pigments similar to Vantablack to make it appear darker, brighter and deeper. It is the best choice for high-end performance cars and high-end commercial vehicles.

CATEGORY	VALUE	CATEGORY	VALUE
Top Coating	Polyoptico™	Film Thickness	8 mil
60°Surface Gloss	95 GU	Hydrophobic Angle	105°
Elongation at Break (ASTMD-882)	450%	Tensile Strength (ASTMD-882)	25 MPa
Tear Strength (ASTMD-882)	60 KN/m	Initial Peel Adhesion (ASTMD-882)	23 N/in
Aging Resistance (UV Test:6000H)	Pass	Chemical Resistance (Acid Test)	Pass
Impact Test (SAE J400)	Pass	Warranty	12 Years
Healing Performance	Fast Self-healing	Stain Resistance	★★★★★
Easy Installtion	★★★★★	Optical Clarity	★★★★★
