

HEC

High-performance TPU material, engineered with advanced Polyoptico™ coating technology, offers exceptional stain resistance and protective capabilities. Whether in daily driving or harsh environments, HEC can provide comprehensive protection for your car.

CATEGORY	VALUE	CATEGORY	VALUE
Top Coating	Polyoptico™	Film Thickness	8 mil
60°Surface Gloss	94 GU	Hydrophobic Angle	95°
Elongation at Break (ASTMD-882)	310%	Tensile Strength (ASTMD-882)	32 MPa
Tear Strength (ASTMD-882)	76 KN/m	Initial Peel Adhesion (ASTMD-882)	24 N/in
Aging Resistance (UV Test:6000H)	Pass	Chemical Resistance (Acid Test)	Pass
Impact Test (SAE J400)	Pass	Warranty	10 Years
Healing Performance	Thermal Self-Healing	Stain Resistance	★★★★★
Easy Installtion	★★★★★	Optical Clarity	★★★★★
